

# Photo 1: Choice Project Reflection!

Name of CRITIC \_\_\_\_\_

Per # \_\_\_\_\_

How did your work change and evolve throughout the creation process?

Why did you create this work? Please circle ALL that apply:

To relax or release tension    To allow myself to escape from my life for a bit

To make a point    To educate    To share an opinion    To explore a medium

To practice my skills    To begin to develop my style    To share my student voice

Other? Please explain:

---

---

Based ONLY on what you see in the work, tell me how you showed that you understood the following concepts:

(If there is no evidence that they understand the concept, please write "no evidence")

Composition:

Visual balance regarding value,color,shape, or placement:

Craftsmanship:
